### SKYDIVE CITY ZEPHYRHILLS ANNOUNCES CAMERON KING NAMED SKYDIVING OPERATIONS MANAGER

Zephyrhills, Florida, June 26, 2019 – Skydive City Zephyrhills announced today that the world-famous center has named Cameron King as Skydiving Operations Manager.

“We are pleased to announce that Cameron is joining our team as Skydiving Operations Manager as we prepare for the United States Parachute Association National Skydiving Championships at Skydive City in November 2020,” said co-owner Susan Stark, adding that Cameron is one of world’s most proficient and well-liked skydivers and canopy pilots in the world. “Cameron is absolutely the right person at the right time for Skydive City,” said Joannie Murphy, also a Skydive City co-owner. Because of Cameron’s leadership, affable personality, accomplishments and passion for the sport, Skydive City identified Cameron King early in its search. “A whole, new level of fun and performance is defining skydiving,” said Stark, “Cameron gets that. He’s a great addition for us. We are lucky to have him.”

Cameron King has made over 13,000 jumps in his twenty years of skydiving. Growing up on a drop zone with actively skydiving parents, he got his start in the skydiving industry packing parachutes in Northampton, Massachusetts. At Jumptown in Orange, Massachusetts, he was on the Board of Directors and an AFF instructor, Chief Tandem Instructor, Videographer and Organizer. Cameron has travelled extensively internationally as an instructor and videographer on military parachuting contracts. Most recently, Cameron was a Canopy Course Instructor and Course Director for Flight-1 in DeLand, Florida.

Located on the Zephyrhills Municipal Airport, Skydive City Zephyrhills attracts world-class skydivers and parachutists from over 80 countries to perform 70,000 jumps each year. Skydive City proudly represents East Pasco as part of the Pasco County Office of Tourism Development’s initiative to brand Pasco County “Experience Florida’s Sport Coast.”
